Virgin Berry Margarita

2 servings
10 minutes

Ingredients

18 grams Coconut Sugar
1 Lime (sliced into wedges, juiced, divided)
373 grams Frozen Berries
10 Ice Cubes
40 grams Maple Syrup
473 milliliters Soda Water

Directions

1. Put the coconut sugar in a shallow bowl. Take a lime wedge and run it around the rim of the glass. Dip the rim of the glass into the coconut sugar, being sure to cover the rim. Repeat the process until all of your glasses are rimmed with coconut sugar.
2. Add the berries, ice, maple syrup, soda water and remaining lime juice to a blender. Blend until smooth.
3. Garnish with lime wedges and enjoy!

Notes

Leftovers: Refrigerate in an airtight container for up to two days.
No Frozen Berries: Swap for any other frozen fruit, like mango.
